AGENDA ITEM STAFF ANALYSIS

Project/Issue Name: Discuss and Possible Vote Authorizing the City Administrator to Execute a Utility Easement Located at 6217 W. Washington Street to City Utilities.

Submitted By: David Brock, Public Works Director

Date: January 29, 2007

Issue Statement

An easement for City Utilities is required for the construction and perpetual maintenance of electric power and fiber optic cable to serve the new well and tower in East Republic.

Discussion and/or Analysis

The easement document is attached for electric and fiber optic service to the new well and tower site. Dedication of this easement will allow City Utilities the ability to provide electric, fiber optic, and communications services.

Recommended Action

Public Works Director David Brock recommends the Board of Aldermen authorize the Mayor to execute the Utility Easement on behalf of the City of Republic.
