Issue Statement

Staff is proposing to amend Section 205.020 Appointment of Fire Fighters and Section 205.030 Compensation for Reserve Fire Fighters.

Discussion and/or Analysis

Through a review of City ordinances, it has come to staff's attention that Sections 205.020 and 205.030 need to be amended. Section 205.020 shall be amended to reflect the hiring of Reserve Fire Fighters verses being appointed by the City Administrator. A new title heading for this section will reflect these changes. Section 205.030 shall be amended to reflect the rate in which Reserve Fire Fighters are compensated for the time they work. The compensation rate shall be set by the annual operating budget.

Recommended Action

Duane Compton, Fire Chief, recommends approval of the Amendments to Sections 205.020 and Section 205.030 relating to the appointment of Fire Fighters and compensation for Reserve Fire Fighters.
