**Community Development Major Project Tracker Map:** Since its inception, this tool maps and tracks the progress of all completed and ongoing development projects throughout the City. Information and photographs can be found for everything from new subdivisions to new commercial buildings. This link will take you to the [Major Project Tracker page](#), which includes instructions for use.

**Planning & Zoning Agenda Tracker Map:** A great number of items come through the Community Development Department that end up in front of the Planning and Zoning Commission and/or City Council. From Annexations to Final Plats, the [P&Z Agenda Tracker](#) provides information on all of these items, and more, as well as their mapped location, current status, and links to Staff Reports and Exhibits.

**Online Community Map:** The [Community Map](#) is an up-to-date view of our City that includes access to important information like property ownership, floodplain and sinkhole locations, subdivision plats, and much more. It is constantly kept up-to-date so you will be too! Stay tuned for new aerial photography to be added. This new imagery was taken in March and April of 2020 and is the result of a cooperative effort between a number of cities and counties in the region.
