

VOLLEYBALL

League Rules:

The Republic Parks & Recreation Department will follow HOA/USA Volleyball rules with exceptions for certain rules as follows:

1. Teams must be comprised of at least 8 players and we recommend no more than 12 players. At least 4 players must be present at the start of the game or the game will be considered a forfeit. A five-minute grace period will be given for the first match of the night. If the game is forfeited, you may use the court for practice time, but it will not be officiated.
2. Each match will consist of a best of three series of games. The first two games will be rally scored to 25 points (30 point cap), and the third game, if needed, will be rally scored to 15 points (20 point cap). Every game must be won by a 2-point margin unless the cap is reached.
3. Teams will follow standard substitution procedures as follows: starting players may be replaced by any player on the bench (but not by another starter). Once a starter is replaced, to be eligible to come back into the game they must re-enter for the player that took their spot. The rotation must continue in this same manner for that game. No substitutes can sub for more than one starter/position in the same game.
4. Injury substitutions may be made at any time and team may play with fewer than four players in an injury during the game causes the team to be short.
5. Each team must provide their own line judge for each game. Line judges must be at least 15 years old.
6. Time-outs may be requested any time the ball is dead. Time-outs may not be requested after the service whistle. Teams are allowed 2 time-outs per game with no carry over. If a third game is required, only one time out is allowed.
7. Players in 1st and 2nd grades may serve from as close as the attack (10') line. Players in 3rd-6th may serve from the free throw line extended.
8. For grades 1-4, after 5 consecutive serves the opposing team will be given serve.
9. Net heights will be the following:

 - b. 5-6: 7'0"
10. Volley-lite volleyball will be used for all divisions.
11. All players must be registered through the online process before being able to participate in the league. A team line up with names and starting positions must be turned in to the score keeper prior to game time.
