Project/Issue Name: Resolution #17-R-23 A Resolution of the City Council of the City of Republic, Missouri, Awarding the Bid for the Production of a Fireworks Show at the City of Republic’s 21st Annual Have-A-Blast Patriotic Celebration Scheduled for June 30, 2017, at J.R. Martin Park.

Submitted By: Jennafer Mayfield, Community Outreach Superintendent

Date: March 21, 2017

Issue Statement

To review the submitted proposals and award the subsequent bid to a pyrotechnic display company to produce the fireworks show for the City of Republic’s 21st Annual Have-A-Blast Patriotic Celebration to be held on June 30, 2017.

Discussion and/or Analysis

The Republic Parks & Recreation Department solicited bids for the production of a fireworks show at the City of Republic’s 21st Annual Have-A-Blast Patriotic Celebration. The pyrotechnic display companies were asked to respond to the solicitation for proposals based on the pre-determined total display price of \$16,000.00. The proposals that were received have been attached for your review.

Recommended Action

Community Outreach Superintendent Jennafer Mayfield respectfully recommends City Council pass and approve Resolution #17-R-23 awarding the bid for the production of a fireworks show at the City of Republic’s 21st Annual Have-A-Blast Patriotic Celebration to the recommended company as outlined in the bid summary and bid tabulation documents.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI,
AWARDING THE BID FOR THE PRODUCTION OF A FIREWORKS SHOW AT THE CITY
OF REPUBLIC'S 21st ANNUAL HAVE-A-BLAST PATRIOTIC CELEBRATION
SCHEDULED FOR JUNE 30, 2017, AT J.R. MARTIN PARK**

WHEREAS, the City of Republic, Missouri, (herein called the "City") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized and existing under the laws of the State of Missouri; and

WHEREAS, the City solicited written proposals from pyrotechnic display companies for the production of a fireworks show at the 21st Annual Have-A-Blast Patriotic Celebration to be held June 30, 2017; and

WHEREAS, proposals were received and have been hereto and incorporated herein; and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, AS FOLLOWS:

Section 1. That the proposal submitted by _____ attached hereto and incorporated herein is determined to be the lowest and best proposal and is accepted at the pricing shown therein.

PASSED AND APPROVED at a regular meeting of the City Council of the City of Republic, Missouri, this 21st day of March 2017.

Display Proposal Notes & Cost

Display Value: \$17,050.96

You Pay: \$15,857.39

NOTES

Multi Shots are used very sparingly in the main display area because they can not be well seen from the crowd. All multi shot devices, be it 100 shot or 600 shot, average \$25 to \$30 each. The more shots per device, the smaller the shell size and lower the height reached. We are using only large bore 2" multi shots in order to achieve height.

We are utilizing three firing positions spread 200 feet apart in the park, and three firing positions spread out 200' in the rear main display area. On the display design proposal sheet, items fired from the left flank is highlighted RED, items fired from the middle flank is highlighted GREY, and the right flank is highlighted BLUE.

For ground up to 300' effects, rather than multi shots that can not be seen, we will custom manufacture "COMETS", which is noted in the bid descriptions as they occur. These effects have a burning comet with a tail from the ground up to 300' and are manufactured by AM Pyrotechnics.

We have introduced several 7" shells into the display this year!

Show Description:

Pre-Show: This 3 minute portion will begin with smaller multi shot devices and enhance the duration of the display and create a “teaser” effect leading up to the grand opening of the main aerial display.

Main Display Grand Opening: The display begins with loud reports, fired one at a time moving from the left, to the middle, to the right firing positions. This is done in order to provide orientation of discharge sites for the crowd and so they do not miss the grand opening. Then we move to a massive and unexpected eruption of red, white, and blue fireworks. There will be separation in the sky for the red, white, and blue effects so it is noticeably patriotic.

Main Show & Scenes: Within the main show assorted shells will be fired rapidly with no dark sky. Three major sky eruptions will occur, like mini finales, fired from all three positions. Each will be unique as they are American made here in Missouri and not seen in previous displays.

Multi Stage Finale: The display will have five finales, each firing from all three positions simultaneously, starting with an elegant massive golden waterfall in the sky, moving to a blizzard simulation in the sky, then followed with a three stage red, white, and blue finale ending with loud reports.

Park Ending: In the park, we can yet again create the flag for the city of Republic and have the fire department raise it with a ladder truck.
